MONTHLY NEWSLETTER – JANUARY/FEBRUARY 2010 EDITION

Welcome back everyone. I hope to find everyone back to the unit safe and with a lot of energy to carry on with the second part of our training year. Get involved and have fun.

Blue Tickets, it is extremely important we get these tickets back "SOLD". Next round of tickets will be distributed in January and we must get them sold.

Cheers

Commanding Officer

Message from 758 Squadron sponsoring committee chair.

Greetings to you all in the New Year. We are half way through our cadet year with still many challenges to face. George --the new vice Chair and I are still trying to get a firm grasp of our situation, so that we can all move forward together in harmony and provide our cadets with the training and fun they should expect from this Squadron. There are several issues which will be discussed at our next meeting, including the importance of getting our lottery tickets sold. This is a major source of revenue for us, and I welcome any suggestions you see fit to put forward at any time to help us generate revenue to fulfill our mandate. Tagging will be upon us soon, and I have some ideas to help streamline this activity, and work cooperatively with Spitfire and Snowy Owl Squadron's. I know that you are all up to the tasks and I look forward to working with you. I think we will all enjoy the rest of the year leading up to annual. If any parent wishes to join the committee please approach me at any time.
